PROFESSIONAL SUMMARY

Innovative and collaborative Front-end Developer with hands-on experience in building web and mobile applications. Skilled in modern technologies like React.js, Next.js, TypeScript, and Tailwind CSS. Proficient in creating user-centric designs and robust functionalities, complemented by a background in software testing and quality assurance. Passionate about learning, teamwork, and contributing to impactful projects.

TECHNICAL SKILLS

Programming & Frameworks: HTML, CSS, JavaScript, React.js, Next.js, React Native, Flutter

Design & Tools: Tailwind CSS, Graphic Design, Data Visualization

Soft Skills: Leadership, Problem-Solving, Team Collaboration

Testing Techniques: Equivalence Partitioning, Boundary-Value Analysis, Decision Table Testing

Languages: English (Fluent), Yoruba (Fluent), Arabic (Fluent)

PROFESSIONAL EXPERIENCE

MTN Nigeria - Intern

Lagos - Nigeria | Apr 2024 - Oct 2024

- Developed and maintained the MyCityApp Admin Dashboard using Next.js, TypeScript, and Tailwind CSS, streamlining app operations for 100+ users.
- Enhanced user task completion efficiency through intuitive UI design.
- Assisted the software testing team, drafting 15+ test cases to ensure robust functionality and bug-free deployment.
- Collaborated with cross-functional teams to enhance data presentation and usability.

BigFix. Integrated Technologies - Front-end Developer

Lagos - Nigeria | Apr 2024 - Jul 2024

- Contributed to the development of the Fastra Suites business management application, focusing on core functionalities and data visualization.
- Improved form handling and accessibility features to ensure seamless user interaction.
- Gained practical experience in modern front-end development technologies and team collaboration on live projects.

Imagine STEM Academy — Code Instructor

Lagos - Nigeria | Apr 2024 - May 2024

- Taught programming concepts to students aged 4-17, covering game development, website creation, and robotics.
- Designed hands-on learning modules, enhancing students' problem-solving and technical skills.

HOBBIES

- Football (teamwork and strategic thinking)
- Video Games: Football, car racing, and combat games (enhancing strategy, focus, and reflexes)

Paragon Children School – Class Tutor (Mathematics and ICT)

Lagos - Nigeria | Jul 2020 - Sep 2022

- Delivered engaging lessons in Mathematics and ICT, achieving a 95% student satisfaction rate.
- Introduced young learners to coding, fostering creativity and logical thinking.

EDUCATION

Lagos State University

Bachelor of Computer Science (in view)

Jan 2022 – Present

Araromi Senior Secondary School

High School Certificate (Graduated)

Sep 2017 – Jul 2020

PROJECTS

MyCityApp Admin Dashboard

- Designed a web application to monitor and manage the activities of the MyCityApp mobile platform.
- Built interactive features using Next.js and Tailwind CSS, prioritizing core functionalities over responsive design.
- Integrated state management using Zustand for efficient data handling and scalability.

Fastra Suites Management Tool

- Built a user-friendly dashboard to support efficient operations management.
- Implemented key front-end features, including data visualization, while focusing on core functionality.
- Collaborated on the project's foundation, leaving room for further development and enhancement after my tenure.

MyData Database Application

- Developed a Firebase-powered database application for seamless CRUD operations (Create, Read, Update, Delete).
- Designed and implemented an intuitive user interface to streamline data management tasks.
- *Focused on real-time data synchronization and security, ensuring efficient and secure database handling.*

ACHIEVEMENTS

- Successfully transitioned from React hooks to Zustand for scalable state management in large-scale projects.
- Completed the black-box testing module, mastering techniques like equivalence partitioning and pairwise testing.
